DATA PROTECTION ACT

The data given on this membership form will be stored on the Club Secretary's computer system. As required by the Data Protection Act notice is given that data will only circulated annually via the club membership list.

The accuracy of the data relies upon members updating details via their British Orienteering membership and/ or the Club's renewal system.

Your details may be used by the club for event entry purposes but will not be passed on to anyone or any other body without your direct permission being sought. Any objection to the data being stored on computer by Walton Chasers should be addressed to Keith Ellery Club membership secretary.

Please notify him of any changes as soon as possible.
