Welcome to a new month. I cannot believe January is over. I managed nine O events in January. Three night events, two colour-coded events, two urban score events, the Laurie Bradley Score on New Year's day and the Club Championships. How many did you get to?

Do not forget to enter the Midland Championships. Entries close next Sunday, the 8th.

We have our Compass Sport Cup round at Sherwood Pines on **March 15th**. Enter yourself for the event at <http://www.fabian4.co.uk/> Scroll to the event and enter as normal. The treasurer will be walking around at the event offering you your money back as the club will pay your entry fee.....if you want them to. Entries close on Friday February 27th. If you need help or do not know which course to run email me [captain @ walton-chasers.co.uk](mailto:captain@walton-chasers.co.uk)

Need a lift to an event? Can you offer anyone a lift? Let me know by Tuesday evening in any week and I will see what I can do about it.
