WALTON CHASERS CAPTAIN'S WEEKLY NEWS 12/04/2015

Yesterday the West Midland Sprint Championships were held at Lilleshall. No official results yet but thanks to Bob who ran the men's open, Jon who ran the advertised but wrong course and John who beat me twice but was disqualified in the prologue, I somehow won the M60+ class. Holly S won the W12 and Tom did very well in the open coming second in the final. Other results still unknown. A good event in glorious sunshine.

Today HOC held an event at Kinver Edge. Again no results so far.

Next weekend the British Championships take place in the Forest Of Dean. You can still enter until midnight tonight, but the fees are high. Apart from this there are no other events. The following week Chasers have an event at Shoal Hill where all juniors MUST run as it is the Yvette Baker Trophy round. I imagine Cath will be in contact with you.

The Tuesday following the British, 21st, the first Tuesday training takes place in Stafford Town centre. Full details on the website, remember to bring your dibber.

Upcoming events that need pre-entry are:

May 2, 3 and 4th - The Triple Gloucester

May 9 and 10 - the British Sprint Championships and the British Middle Championships

May 23, 24 and 25 - Springtime in Shropshire (SINS).

All can be entered via www.fabian4.co.uk
