# **WALTON CHASERS CAPTAIN'S WEEKLY NEWS 26/05/2015**

My weekly message is late this week as I have been at Springtime in Shropshire. An excellent three day event in deepest Shropshire. We camped in Bishops Castle a very isolated town that appeared to really be "in the middle of nowhere" despite the fact that it is only 15 miles from Shrewsbury.

At the event itself we had three overall winners in Iain Stamp, Esther Mardling and Alison Yeates while Mike Smith won the Light Green.

OD have an event at Kingsbury Water Park on Wednesday evening while LEI have a couple of small events on Wednesday and Sunday.

The main event of the week is in the Lakes where MDOC are holding the Twin Peak. Entries have closed but EOD is available.

Tuesday training this week is at Shoal Hill, full details are on the web site.

Alas I will not be at any of these as I have wrecked my big toe.

There will not be a letter next week as I will be in Glen Finnan without the internet.
