- Facilities:** Toilets, first aid, Ultrasport, Podium Catering.
- Dogs:** Dogs are allowed but must be under control and must leave no trace of their presence.

Safety:

The area includes Chetwynd Coppice which in the past has had mining operations, especially on the east side. Two known shafts are fenced off. The area can be subject to subsidence.

Whistles must be carried.

Full leg cover is needed.

The Forestry staff suggest that there is a possibility of log removal by haulage vehicles. Other members of the public, walkers, horse riders and cyclists will be present so please be courteous and give way if necessary, as much for safety as for politeness. If the weather is adverse then waterproof hooded jackets may be made compulsory and checked, a sign will be displayed at registration if necessary.

Safety and Risk: A comprehensive risk assessment will have been carried out by the organiser, but participants take part at their own risk and are responsible for their own safety during the event.

Insurance: Please note that if you have competed in three orienteering events and not joined an orienteering club that is a member of British Orienteering then you are not covered by our public liability insurance.

Privacy:

When entering our events your name may appear in the results section of this website.

Officials:

Organiser: Jonathan Howell (WCH)

Planner: Dave Smith (WCH)

Controller: Richard Lewis (WRE)
