Event Name: **WCH Maprun Summer Handicap Run at Brocton Coppice**

Courses available: *Senior (WCH Senior Summer Handicap PXACV) and Junior (WCH Junior Summer Handicap PXACV)*

Senior Course – See PDF for route map, I suggest just run the course, do not wait for beeps etc at controls and check the MapRunF app at the end, and if any problems use the My Results / select the course / top right menu select Review Results (HITMO), which defaults to 30m tick any controls not shown as visiting. The map on the phone will also show your current position so it is not a test of navigation but the time best time you can around the course.

Junior Course – see comments for the senior race.

You may run the course as many times you like, the best time will be taken.

Handicap times: Runners will be given estimated handicap times retrospectively with the handicapper being blind at that point to the actual times run.

Car Park: Cannock Chase Vista Car Park then walk through to the start (just off the south edge of the map, next to the bend in the road).
